UNDERSTAND HOW LARIMER COUNTY ELECTS COUNTY COMMISSIONERS

In this election, all Larimer County voters are entitled to vote for BOTH commissioner candidates: Roger Hoffmann and Randy Eubanks.

Four years ago, another presidential election year, lots of energized voters hit the top of the ticket but didn't vote the entire ballot. This was hurtful on commissioner races then and could be hurtful this year as well.

It is very important to vote in every race on the ballot this year.

CANDIDATE PROFILE: RANDY EUBANKS

RANDY EUBANKS

Currently serving and running for Larimer County Commissioner District 2

Randy currently serves as County Commissioner for District 2 and loves his job. He is excited to run again for the position and hopes to continue on the path of cooperation that he and the other commissioners have worked to build.

Serving District 2 brings Randy the opportunity to continue to develop policies that protect our environment, community and its citizens. His business background gives him a great perspective to address the county's budget challenges. His desire and love of serving the people of Larimer County has allowed him to get to know so many people and give a voice to the under-represented.

As a veteran of the U.S. Navy and with a background in the high-tech and utility industries Randy feels he can offer Larimer County a fresh voice for its citizens with a new perspective on issues arising within the county.

Randy's community volunteer experience includes serving as a Lutheran Church youth counselor, serving on the Neighborhood Watch Task Force, serving as Treasurer and Board Member of The Woods Neighborhood Homeowners Association, serving as President and Board Member of the Highland Meadows Community Association, serving as Veterans Coordinator of the 2006 Congressional Election, and serving as 2nd Vice-Chair of the Larimer County Democrats.

Randy has been married to his wife Joan for 20 years and they have two children.

We have been very successful the last 1-1/2 years – imagine what four more years will bring.
