**From the Chair:**

What a stellar day we had on Sunday! Longtime Fort Collins residents say Barack's visit is the first by a Presidential candidate in decades--Larimer County is solidly on the national political map.

I had a chance to chat briefly with Senator Obama on Sunday afternoon, and mentioned to him that the last Democratic candidate who won over 50% of the vote in Larimer County was Woodrow Wilson. I promised him that we're taking him over the top in 2008.

But after the joy of Obama's spectacular fall day, with a turnout that AP reports called "startling", that the NY Times dubbed "an enormous throng," in the coming 7 days we need to focus...

1. The point of the rally was EARLY VOTING. Larimer County, we have four more days to vote early. I see the numbers and know that many of you haven't done it yet. Take the time today; grab a coworker or friend and get it done!
2. Yes, winning the top of the ticket is key for our future. **But as Barack reinforced on Sunday, we're all in this together!** That means electing Commissioners Eubanks and Hoffmann. That means returning Bacon, Kefalas and Fischer to the state house & senate. It means adding James Ross and Ken Bennett to the stellar lineup that accomplished so much for Colorado in the last legislative session. And, of course, Markey and Udall!!!!

## **PARTY NEWS**

### **GET OUT THE VOTE (GOTV) - We Need YOU To Help WIn This!**

**This is easy calling!** There is a short telephone script, urging people who haven't voted to do it now. Let us know when you can help - even an hour of your time is valuable! I NOW to be a part of this HISTORIC Election effort (689-6391, [ldems@frii.com](mailto:ldems@frii.com)). Help all our great Democratic candidates!

**Contact:** Larimer County Democratic Party, 970-689-6391, [ldems@frii.com](mailto:ldems@frii.com)

### **VOTE EARLY!**

Early Voting continues through **Friday, October 31!** Go to [www.larimerdems.org](http://www.larimerdems.org) and click the link for all the early vote sites & hours.

### **DO NOT VOTE A PROVISIONAL BALLOT!**

**Make sure your vote counts! This is yet another reason to vote early!**

#### **What is a provisional ballot?**

A provisional ballot is a paper ballot that is completed and placed in a secrecy envelope much like an absentee ballot. It contains all of the same candidate and issue elections on which the voter is entitled to vote. It will be checked like an absentee ballot and will count just as if the voter had voted on a regular ballot or voting machine, assuming the voter's name can be verified and found on the voter registrations rolls. **A voter should only vote a provisional ballot as a LAST RESORT.**

**Why would I receive a provisional ballot instead of a regular ballot?**

In the following instances, you must vote a provisional ballot:

You fail to show proper identification. Identification is only required to prove who you are. If your current address is different from the address on your ID, you are still eligible to vote a regular ballot.

You requested but have not cast an absentee ballot for any reason and now want to vote at a polling place or early voting location. If you affirm that you have not and will not vote again in that election, your provisional ballot should be counted.

You wish to vote in the wrong county. Your provisional ballot will not be counted if you are in the wrong location.

The election judge cannot find your name on the registration records.

You apply for emergency registration but cannot be qualified in the clerk's office at the time of registration.

**I have been offered a provisional ballot. What should I do?**

You should cast the ballot as if it were a normal ballot. After you cast the provisional ballot, the election judge should give you a written notice that you have the right to know whether the provisional ballot was counted and, if not counted, the reason why. The notice shall specify the toll-free telephone number, internet website, or other free access system established for you to learn this information. If the designated election official verifies that a voter who properly cast a provisional ballot is entitled to vote, the provisional ballot shall be counted. If the voter's registration cannot be verified, the ballot will not be counted.

### **BALLOT ISSUES**

We have one of the longest ballots ever. There are numerous Amendments and Referenda to vote on this year. Visit [larimerdems.org/amendments.html](http://larimerdems.org/amendments.html) to read your Larimer County Democratic Party Executive Committee's recommendations for voting on these issues. You can also download a pdf of our entire slate of candidates and recommendations on voting on the amendments and referenda at [larimerdems.org](http://larimerdems.org). Click on **\*\*\*NEW! TAKE THIS GUIDE WITH YOU TO THE VOTING BOOTH\*\*\***.

### **UNDERSTAND HOW LARIMER COUNTY ELECTS COUNTY COMMISSIONERS**

**In this election, all Larimer County voters are entitled to vote for BOTH commissioner candidates: Roger Hoffmann and Randy Eubanks.**

Four years ago, another presidential election year, lots of energized voters hit the top of the ticket but didn't vote the entire ballot. This was hurtful on commissioner races then and could be hurtful this year as well.

It is very important to vote in every race on the ballot this year.
